

Fudge Factory Visitor Journey

In accordance with currently available guidelines and best practices from the Chief Medical Officer of Health, Ministry of Health and the Government, the following outlines the visitor journey through the Canada Trading Company.

All team members are subject to temperature check and health questionnaire prior to each shift. Employees must adhere to strict health and safety guidelines throughout their shift including frequent handwashing and sanitization, the use of proper personal protective equipment, cleaning and sanitizing procedures and social distancing measures. Team members must wear face masks at all times.

Quaternary Ammonium (“quat” sanitizer) and/or commercial disinfectant will be used frequently to clean and sanitize all contact surfaces including cash registers, printers, payment card terminals, counters, and high touch contact surfaces. Credit and debit purchases are preferred where possible.

Signage will be posted advising guests of physical distancing expectations, including ground markings placed at a distance of 2 meters.

Hand sanitizer will be provided for both visitor and team member use in an easily accessible areas including the entrance/exit.

Limited store capacity.

No self serve candy available at this time.

Plexiglass barriers in service area.
