

Boston Pizza Clifton Hill Visitor Journey

In accordance with currently available guidelines and best practices from the Chief Medical Officer of Health, Ministry of Health and the Government, the following outlines the visitor journey through Boston Pizza Clifton Hill.

All team members are subject to temperature check and health questionnaire prior to each shift. In addition to the existing attention to and high standards for food safety, cleaning and sanitation practices re-opening will focus heightened awareness due to Covid-19 around cleaning, sanitation, health, personal hygiene and physical distancing measures. Employees must adhere to strict health and safety guidelines throughout their shift including frequent handwashing, the use of proper personal protective equipment, cleaning, sanitizing and disinfection procedures and social distancing measures. Team members must wear face masks at all times.

Quaternary Ammonium (quat sanitizer) and/or commercial disinfectants will be used frequently to clean and sanitize all contact surfaces including point of sale systems, printers, payment card terminals, counters, tables, chairs, equipment, restrooms and food prep areas.

Masks are mandatory per Face Covering By-Law #2020-46. Guests must wear a face covering over the nose, mouth, and chin as required by the Face Covering By-law. Does not apply to children under the age of five and those who are unable to wear a face covering as a result of a medical condition or a disability. A face covering or mask can be cloth (non-medical) or disposable.
